

PAST RESIDENTIAL PROJECT

PROJECT: ERA
LOCATION: 401 – 450 REDLAND BAY ROAD, CAPALABA

Era was a 237 lot development located on Redland Bay Road in Capalaba. Era stage 1 delivered brand new contemporary homes and land in a master planned environment. At the time there was no other comparable developments in Capalaba and only a small few in the wider Redland area.

The guiding pillars of Value, Quality, Lifestyle and Sustainability form the building blocks of Era and guided the approval and development of stage 1.

FEATURES

- High quality estate environment including full landscaping, entry statement, walkways and Coolwynpin Creek running through the heart
- A selection of three and four bedroom contemporary homes ready to move into
- Homes designed to maximise the benefits of the site and minimise their impact on the environment
- Prime location close to employment, transport, recreation and other infrastructure

Heritage Pacific divested it's interests in Era in 2013.
