Woolstore Apartments

Originally built in the 1920's the iconic woolstore buildings were refurbished in 2003 into unique 1, 2 and 3 bedroom apartments. The architecturally designed interiors capture and maximise the natural light, whilst the original timber floors were kept to add character and charm. Each luxury apartment has access to the property's 25m lap pool, gymnasium, sauna and BBQ area.

The Woolstore apartments are situated in the leafy, river front suburb of Teneriffe, Brisbane close to cafes, restaurants, theatres, and shopping.
